

## Some hotel options near the University of Washington

(about 6-9 km from the Alaska Fisheries Science Center)

These are all reasonably nice hotels, the Deca and Watertown are probably the nicest.

We will organize transport (some of these hotels have shuttles that can take you to the Center and other places) for those that need it. There's a bicycle trail between the hotels and the center so contact me ([jim.ianelli@noaa.gov](mailto:jim.ianelli@noaa.gov)) if you wish to use a bicycle (I can arrange).
